2025 International Students Brochure of Xi'an Shiyou University (Master&Phd Program)

XI'AN SHIYOU UNIVERSITY

About Xi'an Shiyou University(XSYU)

First

Founded in 1951, XSYU is the first petroleum engineering and petro - chemical engineering university in China

Unique

The only university in Northwest China features in petroleum engineering and petro - chemical engineering

Three

Engineering, Chemistry and Earth science are rank in the Top 1% of ESI globally

Outstanding

National "Fourteen - Five - Year Education Promotion Project" construction university
Shaanxi Province "Double world - class" cultivation university, High - level university support by Shaanxi Province

Feature Programs

5 national characteristic majors
12 majors selected as national first - class undergraduate major construction points
15 majors selected as provincial first - class undergraduate major construction point
3 national professional comprehensive reform pilot projects
10 Shaanxi provincial characteristic majors
5 Shaanxi provincial famous brand majors

Science Research

47 National and Provincial Laboratories
7 Characteristic research field

Internationalization

Conducting exchanges and cooperation with 111 institutions globally
Recruited students from 93 countries
Authorized Chinese Government Scholarship university
Initiating University of Silk Road Energy Education Technology Industry - University - Research Alliance
Jointly building "Turkmenistan Center" with Turkmenistan Embassy in China
Jointly build "Belt and Road Energy Research Center" with Pakistan National University of Science and Technology

Student Awards

More than 6200 national and provincial awards in competitions and scientific technological activities

Outstanding Engineers Plan

5 national advanced programs of "Outstanding Engineers Training Plan"

Majors

Note: Majors marked with ★ can be taught in English

College	Master-graduate program	Doctoral graduate program
College of Petroleum Engineering	★ Oil and natural gas engineering	★ Oil and natural gas engineering
College of Earth Sciences and Engineering	★ Geology	
	★ Geological resources and geological engineering	
College Chemistry and Chemical Engineering	Chemical Engineering and Technology	
College of Electronic Engineering	★ Electrical Engineering	
College of Mechanical Engineering	★ Mechanical Engineering	
	★ Power and Thermal Physics Engineering	
College of Civil Engineering	Civil engineering	
College of Materials Science and Engineering	★ Materials Science and Engineering	
College of Computer science	★ Computer Science and Technology	
College of Science	Optical engineering	
	Mathematics	
	Regional Economics	
	Finance	
	★ Industrial Economics	
	Management Science and Engineering	
	Accounting	
College of Economics and Management	★ Enterprise Management	
	Technical Economy and Management
